To whom it may concern,  
I wanted to write a quick note to let you know that I benefit from listening to XM Satellite Radio and its traffic and weather channels.  
I enjoy and rely on the variety of music and entertainment that is not offered through my local stations. I urge you to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.  
Thank you for your time and consideration.
